

Anna Bruns Sales Marketing Manager Integrated Solutions

Anna Bruns has been working as Sales Marketing Manager at Dentsply Sirona since July 2014 and is responsible for the Integrated Solutions department.

Anna Bruns' tasks include the project management of interdisciplinary functional teams, operational and strategic planning of sales and marketing activities, the organization of trade shows and events, training internal and external customers, and the creation and follow-up of international launch plans.

Before joining Dentsply Sirona, she worked as product manager for Gelita Medical GmbH.

Anna Bruns obtained her MBA at the European School of Business in Reutlingen, Germany. Prior to this she successfully graduated as a translator in German, Polish and English (German *Diplom* degree) at the Johannes Gutenberg University in Mainz, Germany. She also holds a degree in German philology from the Adam Mickiewicz University in Poznań, Poland.
