

Dentsply Sirona at a Glance

Dentsply Sirona is the world's largest manufacturer of professional dental products and technologies. The Company has a comprehensive end-to-end solutions offering of dental and oral health products. This offering includes some of the best-known and established brands in the industry. The Company develops, manufactures and markets general dental supplies, CAD/CAM restoration systems (CEREC and inLab), a full suite of dental restorative products, imaging systems, instruments, treatment centers, hygiene systems, dental lasers and products supporting the dental specialty markets of orthodontics, endodontics and implants. In addition, the Company has a global consumable healthcare products business.

Dentsply Sirona was created in 2016 when DENTSPLY International and Sirona Dental Systems completed a merger of equals. The Company's shares are listed in the United States on NASDAQ under the symbol XRAY. An employer of choice, Dentsply Sirona employs a workforce of approximately 15,000 employees with locations in more than 40 countries worldwide. With a sales presence in more than 120 countries, patients and practitioners virtually everywhere in the world rely on Dentsply Sirona to deliver dental and healthcare solutions for better, safer and faster dentistry.
